

At Amaritech we assist our clients to achieve their goals by identifying their electrical and automation needs and providing flexible solutions on a timely basis, while always ensuring that quality is at the forefront.

The company is staffed with knowledgeable, experienced electricians who take pride in providing quality workmanship. Amaritech has its own ETL certified panel shop and is equipped with fully stocked service trucks. Amaritech provides a variety of services, from ground-up design and construction, to maintenance and service of existing equipment.

Amaritech now has branches in Calgary, Red Deer, and Nisku to service you better.

AEC's Core Values

At AEC, we live and work by our Core Values.

~ Exceptional Service

- Through providing exceptional service, AEC will:
 - Always be there for our clients;
 - Make our customers feel at ease;
 - Always find a way to get the job done;
 - Treat our customers the way we would like to be treated.

~ Teamwork

- Together, we will:
 - Achieve our goals; and
 - Achieve success through mutual respect, accountability, effective communication and collaboration.

~ Superior Quality

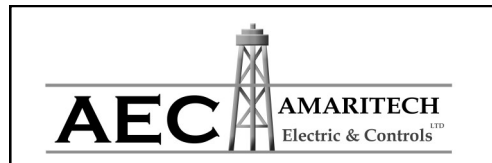

- In order to provide top quality, AEC will:
 - Put out the best products and services in our field;
 - Give our customers value for their dollar;
 - Always do work above and beyond both customers' and AEC's expectations.

Innovation

- AEC will:
 - Find timely, common sense solutions for customers' needs
 - Acknowledge and embrace technological advancements and changes in the field;
 - Strive to be innovators in all we do; customer service, operations and product development.

Safety

- At AEC, safety is top priority;
 - Safety is no accident.
